

Capitol Preservation Committee
Civil War Battle Flag Education Center Protocols

Due to the ongoing Covid-19 Pandemic the Capitol Preservation Committee establishes the following protocols and procedures meant to promote safe access to the Commonwealth's collection of Civil War battle flags housed at 2221 Forster Street.

- 1). All visitors to the facility must wear a mask. If you decline to wear a mask, you will not be permitted to enter the building. No exceptions. Visitors who do not have a mask will be offered one, while supplies last. No mask, no tour.
- 2). Tour groups are limited to 5 people. Due to social distancing guidelines, large group tours are prohibited until further notice.
- 3). A sanitation station will be provided for all tour groups at the facility's main entrance. Please use the hand sanitizer upon entering the building.
- 4.) Thank you for your cooperation in helping us to ensure a safe tour experience.

These protocols strive to take into consideration the recommendations of the CDC and the PA Department of Health guidelines to ensure, as much as possible, the safety of Committee staff and the general public. Due to the ever evolving nature of the pandemic the Committee reserves the right to modify these protocols as needed and without notice.
